GCA BOARD MEETING

April Meeting Recap!

Our April Board meeting had visitors from our community. Thank you to Aaron Hall from Councilman Tate's office for keeping us updated on events in the area such as Reading Month Events at Dossin Elementary where 37 men came to read with students. He also gave updates on community issues. Kevin Harris came to introduce himself as a liaison for the Wayne County Clerk's office. He's here to help with any certificate or permit issues that the office of the County Clerk deals with.

We also discussed budget allocations for Social Planning Committee to plan for Annual Meeting and the Garden Tour, Youth and Education Committee Plans for their events to promote literacy, distribute backpacks and school supplies and provide for the family fun expo event! Other major topics discussed were the upcoming community events in the spring and summer that we have to look forward to. If you are interested in becoming a member of the GCA Board and would like to run for a seat at the July 9 election, please reach out to Larissa Richardson, Cora Duncan-Foster, or Krystal Thurmond. VACANT PROPERTY TASK FORCE/ ENVIRONMENTAL

We are working on problem-solving for vacant houses in Grandmont. There is at least one house on every street that is vacant and of concern. Archdale seems to have more than their fair share of vacancies and lack of ownership care or maintenance. We are working cooperatively with City Departments (BSEED, DPW, Environmental Affairs, DPD 8th Precinct & NPOs, etc.) as well as D1 Department of Neighborhoods and D1 City Council to educate the community and eliminate blight from our neighborhood. City Departments and/or owners have been notified by letter, phone and/or the "Improve Detroit App" to resolve our issues and establish better communication going forward.

We appreciate our block captains' and neighbors' watchful eyes to monitor and update us on newly vacant properties as well as new neighbors moving into the Grandmont Community. Welcome Packets need to be distributed. Having owner information (kept confidential) is an important tool for maintaining our "strength in numbers" spirit of community involvement and historic activism. Your input is especially valuable in keeping Grandmont, "The Home of Good Neighbors." Thank you.

WORTH REPEATING!!!

There are three types of people around here (and in Grandmont?):

Those who MAKE things happen

Those who WATCH what things happen, and

Those who WONDER WHAT HAPPENED!

FRIENDLY REMINDERS

- **PARKING:** Vehicles need to be parked on cement (not grass or lawns) - it's a city ordinance. We should all be proud to comply with this ordinance for the environment & for a more attractive neighborhood. You can already see the damage of unsightly telltale tire ruts on some lawns & corners within our community that seems to shout out: "I don't care and you don't matter." Please don't be that uncaring neighbor.
- **COMMERCIAL VEHICLES:** not allowed on Residential (R1/R2 zoned) Streets overnight. Our streets are too narrow and trucks are too heavy to sustain our roads, which are already in poor condition.
- **LOUD LATE NIGHT PARTIES:** Be considerate of your neighbors. Noise travels and it's usually the constant thumping base noise that is so annoying and can be heard from every direction. Be considerate of people (young & old) needing a good night's sleep, consistency, various shift work schedules, traffic concerns, and safety and security in general and limit this nuisance. If you must rock and roll or hip-hop all night long, rent a hall - far, far away.
- **NO PORCH BARBEQUES:** City Ordinance & Fire Department regulations state that BBQ's need to be 10' away from a structure with no overhead obstacles for safety & security - and common sense suggests they are best located in the backyard.
- **OPEN FIRES and TRASH BURNING:** Not allowed for safety and common sense reasons. We all deserve to be safe in our homes & neighborhood.

Be Safe. Know when there's an emergency impacting your area.

Would you like to receive timely emergency notifications pertaining to the city of Detroit? Detroit has a new notification system called Detroit Alerts 365, which sends Detroit-specific emergency notifications through the CodeRED emergency notification system—a system used by emergency services teams and municipalities nationwide. This free system enables you to choose how you would like to receive alerts--via telephone, text message, and/or email.

Benefits of Detroit Alerts 365

There are several benefits to enrolling in Detroit Alerts 365. During a crisis, real-time updates can provide life-saving instructions and information.

- Notifications are on the go with you. You can receive important alerts and non-emergency notifications, based on your address directly to your cell phone, home phone, text, or email.
- You will receive notifications targeted to residents in a specific area experiencing emergency conditions.
- Your personal data is secure in the CodeRED system.

Visit the CodeRED website (<https://public.coderedweb.com/CNE/en-US/BF4C7F0A3951>) to register. In addition, residents are encouraged to download the CodeRED Mobile Alert App to received emergency messages based on their current location.
