Grandmont Community Association Presents: The Annual Meeting

A night out without the kids... fantastic dinner...stimulating conversation...Where??? The Annual Meeting is another of the many projects sponsored by the G.C.A. It is a social as well as business occasion. Five new board members will be elected to fill half of the board seats that are vacated annually.

Registration for your 1982-83 dues will begin at 6:00 p.m. Checks or money orders should be made out to the Grandmont Community Association in the amount of \$12.00. This will admit 2 adults (same address) for the dinner and allow 2 voting ballots for the election. Due to the costs involved there will be a nominal \$5.00 guest fee. Dinner will be served promptly at 7 p.m.

We will again sponsor a raffle to help defray the costs of the meeting, dinner and refreshments. The prizes are donated by many of our local businesses. The tickets will be sold by our candidates for the board as a fun way of personally acquainting themselves with you.

Get your babysitter now and while you're at it, why not call a neighbor or two and double or triple-date for the evening. You'll see neighbors you've been meaning to call and have the opportunity to extend a hearty greeting to our new residents.

Please join us for the start of another great "Home of Good Neighbors" year.

Hey, Shoppers - do you ever wonder if the city would permit you to harbor a cow on your property? (Besides providing milk, it could graze your lawn and eliminate a mower!) Does your family consume one gallon or more of milk per day at the usual price of \$2.09-\$2.29/gal.? Well, I've discovered a milk depot right here at Grandland. Kent Drugs (next to Great Scott) sells gallons of 1/2% @ \$1.55, 2% @ \$1.75, and homogenized @ \$1.79. These even come in plastic containers - not those awkward cardboard ones. You can usually park right alongside of the store and run in and out. This eliminates a one-hour stop at the grocery store which inevitably costs \$32.95 (but I only needed milk!). They also carry other staples like bread and eggs - Caution: Do not stop at the candy counter!

Do you have a favorite spot in the Grandgreen area of bargain price, friendly clientele, the best cup of coffee, etc.? Share your finds with the Secret Shopper. Call 272-7682 and watch for the Secret Shopper's column in future issues.

Reminder

F.Y.I.

Holt Security Patrol is contracted to patrol and protect only those homes who are paid subscribers of the Patrol. Non-subscribers who wish to report suspicious activity or request police assistance on any emergency are to call 911, not Holt Patrol.

Dear Residents:

There was a small turnout at the block and street captains' appreciation party, but a good time was had by all who attended.

Officer Paul Jackson from the 14th Precinct Mini Station discussed Neighborhood Watch and Operation Identification and films were shown about crime prevention. Near the end of the evening awards were presented to Joanne Patria, Abington, Street Captain, and Mrs. Fran Flynn and Mrs. Mabel Owens of Longacre for collecting the highest percentage of dues in the community.

Last but not least, I would like to say thank you to all co-captains, block captains, and street captains for your time and hard work to Grandmont.

Nursery Group Tours Supermarket

Rosedale Park Cooperative Playgroup's 4-year-olds recently toured the Farmer Jack's Supermarket at 8 Mile and Grand River. In nursery school the children had been learning about the five food groups. They expanded their knowledge of foods with a "behind-the-scenes" look at a grocery store. They visited the Farmer Jack's warehouse where they saw cartons of food waiting to be placed on the shelves. They saw peanut butter as it was made in the store's delicatessen, bread baked in giant ovens in the bakery, and meats cut, packaged and labelled in the butchers' area.

As a related activity, the children set up their own grocery store in nursery school with empty boxes brought from home. According to nursery director, Sally Fee, in "playing store", pre-schoolers develop social skills as they take turns being cashiers or customers in line. They learn cooperation when selecting food or restocking shelves. Categorization skills are practiced as children decide which items belong in the freezer and which in the refrigerator section of the store. Cognitive skills are utilized in pursuing the question of just what would happen to milk if it were kept in the freezer. Children learn about seriation (or building small-to-large) when they telescope small cans and boxes into large ones at the end of the nursery day. Language skills are also furthered as the children name and talk about foods with each other.

For information about nursery openings please call Cathy Nichols, 537-8918.

A NEW ARRIVAL

The Kiser family is delighted to announce the birth of Philip Mathew Kiser, at 5:59 A.M. on Monday, March 15, 1982.

Annual Open House Planned

The Northwest Detroit Cooperative Preschool (formerly Bushnell Nursery School) will have its annual open house on April 27, 1982 from 12:30-2:30 p.m. Prospective new members are invited to bring their children, ages 3 to 5, to see, feel, and hear the fun and learning as it happens in rooms 106 and 107 of Christ the King Elementary School. The school is located on Burt Road between Six Mile and Grand River. The Monday/Wednesday/Thursday 9:00 a.m. to 11:10 a.m. session is for four year olds who may attend kindergarten next year. The Tuesday/Friday session from 9:00 a.m. to 11:10 a.m. is for three year olds. A variety of indoor and outdoor activities and field trips are included in the program.

Preschool is an exciting time for you and your child to share and learn together. Co-ops are designed especially so the parent can have a say in the administration and policies of the school as well as the classroom. Each child passes through these years just once. Come and share these years with others who are concerned with the growth and development of the young child. Call Karen 534-3336 for more information.

What Is Your Dental I.Q.?

FEVER BLISTERS

Q: Why do I get fever blisters? What causes them?

A: Some people are occasionally bothered by cold sores or fever blisters. These sores are usually caused by a herpes virus. They will arise on the lips and skin around the mouth, causing pain, itching, and crusting. They last one to two weeks and then heal, only to recur.

Most people are infected with herpes as infants. These children are quite ill, with a severe rash all over the mouth and throat, often with high fever. After the infection subsides, the virus retreats in some patients and hides out in certain nerves. When resistance is low, the virus creeps down the nerve and affects the skin.

There is no cure. Wait for the sores to heal. Medication containing any form of cortisone should not be used, as these can spread the virus. Touching the sore should be avoided, as the virus is contagious and can be spread by contact.

Spotlight: George Cook, Art Teacher

As a parent, one thing made me happy when I heard Mr. Cook was bumped from his position as Art Teacher at Ludington Middle School, my eldest son's school. I soon found out that he was going to be Art Teacher at Dossin Elementary School, my other son's school (at Abington and Glendale, south of Schoolcraft).

All Grandmont children south of Kendall go to Dossin if they attend public school. They have all had an opportunity to meet Mr. Cook. He has brought a whole new awareness of the value of art education to Dossin School.

Who is George Cook? He grew up in Birmingham, Alabama, and went to college at Highland Park Community College and WSU. He is now completing his Master's degree at Wayne State. He has taught five years in the Detroit Public Schools in SW Detroit, on the east side, and at Ludington and Dossin here in Region 4.

Mr. Cook not only teaches art, he paints. His specialty is murals. "My life's goal is to paint the world's largest mural." He has painted murals at several schools, mostly in Highland Park. His outdoor murals have attracted quite a bit of attention: "Kids are People Too" at Grand River and Arlene; "Knowledge is Power" at Joy and Whitcomb; "Black Athletes" at Kercheval and McClellan; "Reading is to the Mind..." at Harper and Burns. These outdoor murals have not been defaced - "They make some things not heard about in school more concrete," says Mr. Cook.

Mr. Cook has definite ideas about teaching art. In primary grades he tries to impart an understanding of basic shapes and how they can be used to make pictures. The older children learn crafts and stitchery first, and then go on to drawing and painting.

Mr. Cook has little trouble with discipline - "I make art as enjoyable as possible because I love it so much. I don't let it get boring. If an art teacher is not an active art teacher, art will always be boring. You have to be a creative person yourself."

Art is low on the list of priorities in many schools these days. I asked Mr. Cook why art is important to the elementary school child. He said that for children, art is an everyday thing - they use it when they get dressed and when they identify objects. Working with their hands produces coordination and also a kind of satisfaction that many kids don't find in academic subjects. Art can give children something to strive for - some kids want to go to school just to go to art, says Mr. Cook.

An Art teacher is also valuable to the other teachers and school as a whole. This summer Mr. Cook plans on painting two murals at Ludington and hopefully some at Dossin.

The current round of lay-offs makes the future uncertain for Mr. Cook. If he is laid off, he will put more time into his art work. He is now a member of the Artists' Co-Op on Grand River, where photographs of his murals, prints and watercolors are for sale. As a member of the Co-Op, he plans to set up panels for kids to paint a mural at the Grandmont Arts and Crafts Fair '82.

After talking to Mr. Cook for an hour, I was very impressed by his spirit, love for art, and concern for children. I'm sure we all wish him the best, and I have a feeling he'll find it. He told me his "secret of happiness is to enjoy what you're doing." Art is what makes Mr. Cook happy.

Clean-up With Grandgreen

It's spring! Grab your rakes and shovels! Now's the time to show your neighborhood pride.

The Grand-Green Business Association is sponsoring a Cleanup Day on May 1, 1982. This day also marks the Greater Detroit Chamber of Commerce Pride Clean-up Campaign.

Groups will be organized according to their neighborhood associations. Each association will be responsible for the strips bordering their communities. A contact and meeting place will be designated for each association.

Workers will gather at their meeting place at 10:00 a.m. on May 1. Bring along gloves, rakes, shovels and trash bags.

To wrap up a good day's work there will be a gathering at North Rosedale Park for refreshments.

For more information contact Kathy McKee (538-6709) or Barbara Nagy (537-1654).

Note: Grandmont's clean-up representative is Richard Berlin, 14567 Woodmont (838-0248). Children and adults, come to his home, ready & willing to work on Saturday, May 1.

This community-wide project can leave positive feeling (as well as a visual treat) on the merchants, the residents, as well as the commuters, if all of us contribute our time and muscle.

Bushnell Rummage Sale

Bushnell Women's Fellowship will hold its Spring Rummage Sale on Tuesday, April 27 and Wednesday, April 28 from 9:30 a.m. to 3:30 p.m. Plan to stop by at the church at Southfield and Grand River and choose from the great selection of household items, books, jewelry, linen, clothes, etc.

YOUR IDEAS NEEDED ON GRANDGREEN MASTER PLAN

Grandgreen Business Community Association is involved in a planning process to determine future priorities for the area. Under a grant from the Mott Foundation and the National Bank of Detroit, the Council of Educational Facility Planners is helping Grandgreen put together a Master Plan for future development in the area. Community input to this process is crucial. Your opportunity to speak will be Monday, Tuesday, and Wednesday, April 19, 20 and 21, at St. Mary's of Redford High School 7:30PM each evening.

Officials of the City of Detroit and various foundations have indicated to Grandgreen that if a Master Plan is put down on paper there is a good possibility that the Plan can be carried out. If we can get our act together, people will listen. Join your neighbors and voice your opinions about the future of Grandgreen. See you in mid-April.

Artist Co-op Sponsors Black Painters Exhibit

The Artist Co-Op is having its first of an annual Black Painters Exhibit, Sunday, April 18, 1982. The Exhibit is open to the public starting

Thurs., April 22 - 3:30 to 6 p.m.

Sat., April 24 - 12 to 6 p.m.

Sun., April 25 - 1 to 6 p.m.

The Artist Co-Op will have feature exhibits throughout the year. Plans are being formed for an All Women's Exhibit, Textile and Ceramic Exhibit, as well as a Student Exhibit.

Look for the May issue for information of Summer Art Classes sponsored by the Artist Co-Op.

The Co-Op is located at 16360 Grand River (formerly the Flower Barn).

Questionnaire

The following is a questionnaire - to obtain your opinions on some Grandmont policies and issues and to perhaps find a Grandmont project on which you'd like to work.

The questionnaire will also be at the Annual Meeting - so two members of the same household can each complete one.

Either return the questionnaire at the Annual Meeting, or drop off or mail to: 14540 Longacre, Detroit 48227.

We want to hear from all of you!

Statement: As our City, State and
Country face the present economic
difficulties it becomes more important
than ever for communities to become
strong and unified. We, on the grass-
roots level, can influence political
actions. With present financial cuts
to essential programs it becomes vital
that we, the Grandmont Community, use
the political system to its fullest.
We should strive to have a greater
voice in local affairs and I will
endeavor to work within these aims.

GCA Duties: Neighborhood Security

In 1980 when I was elected to the GCA
Board, I indicated my concern with
creeping blight in our community, i.e.
graffiti, business closures, citizen
harassment. In my two years in office
we have seen a reduction in graffiti
and the opening of new small business
and GCA Board support of beautification
efforts including court action where
needed. I introduced and this Board
took the necessary steps to start and

promote a functioning security patrol
in Grandmont. The Holt Security Patrol,
though paid for by approximately 220
resident homeowners, provides a
deterrent to crime for all 1000 homes
in Grandmont.

I wish to continue to serve this
community as a GCA Board member. Over
the next two years, due to the hard
economic times we face, we must turn
to efforts of neighborhood self help
and assistance to maintain the homes
in our community. We must assist this
community as a board to, in addition,
fill vacant homes in Grandmont and to
assist in the protection of our homes
from an increase in B & E activity.
I ask for your vote at the GCA Annual
Meeting April 30, 1982.

I am running for the Board because I
believe this is a vital, exciting

in its diversity— we are something to
be proud of. I am proud to say, "I
live in Grandmont." I would like to
see our slogan, "Home of Good Neighbors"
ring true for everyone in Grandmont.
I believe the way to do that is to keep
the lines of communication between the
residents and the Board open; I think
I could help serve that purpose.

Ronald W. Rice

40 years old, married, and the father of two of the dearest children you'd ever wish to see. (Please confirm.) Maybe you've seen the Rice children passing out the Grandmonitor or walking calmly & quietly home from school. (Please inform.) That's my idea of a "Neighborhood Watch" — a sense of community & family spirit. Mine, fortunately, has poured into my children.

While growing up on the near west-side of Detroit, I too distributed the community newspaper (The Rocket) streaking up and down Hazlett street. It pleases me to participate, in any small way, in the Grandmont Art Fair. I am reminded of my old neighborhood's annual flower shows (which are still produced). Although I no longer live on the near west-side, I'm still involved there as a Board Member of the Fisher YMCA. I'm just that way, if I like you, I'm yours! Grandmont, I like you!! (By the way, I also like your children.)

Jim Sanford

My family and I have lived in Grandmont for six years. We love the warm surrounding atmosphere that Grandmont offers, the caring attitude that our neighbors have, not only for one another but for the community.

I am employed by General Motors Corporation as a Supervisor of Manufacturing. I have worked for GM for 20 years. I am involved quite loyally in the church our family attends—as a Deacon, one of the church's chief ushers, and also as a member of the church's educational department.

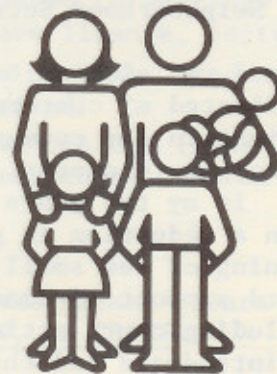

As a resident of Grandmont I and my family wish to continue that warm atmosphere and caring attitude in Grandmont by working with those who want to help keep Grandmont a clean and growing community.

Crime Pays!

...especially if you get lazy -- or forgetful.

Snowblowers, lawnmowers, tv's, microwaves, food processors, stereos... the list is endless. Have you marked your valuables with your Michigan driver's license number? An engraver is available for your use FREE by the Grandmont Association. Protect yourself! Don't let your personal belongings be sold at a police auction because ownership could not be traced.

Call 272-0945, 836-3736 or 837-4967 to reserve an engraver now!

Unsteady hands? Call any of the above numbers and request assistance by a board member. They are most willing to help.

Remember to engrave the prefix MI (Michigan) with your driver's number to ensure inter-state identification.

HINT: It's a good idea to take pictures of your jewelry and any small items that cannot be engraved.

You Gotta Have Art!

The Northwest Detroit Cooperative Preschool invites you to attend and participate in an ART EXHIBIT AND AUCTION on Friday Evening, May 7, 1982. Hors d'oeuvre preview from 7:00 to 8:00 p.m. Auction commences at 8:00 p.m. at GALLERY ART CENTER, 18831 W. 12 Mile Rd., Lathrup Village. Donation \$2 per person. Valuable door prize. We offer a collector's collection of original oils, lithos, batiks, prints, serigraphs, etchings and watercolors. Featuring the works of world renowned artists. Tickets are available from any preschool member and will also be available at the door.

SAFETY REMINDERS FOR PARENTS
OF SCHOOL CHILDREN

Help protect children from criminal attacks by making sure they follow these safety rules:

1. Always walk to and from school with someone.
2. Use the routes where safety boys and girls are on duty.
3. Avoid walking on streets with open empty buildings.
4. Always report any suspicious behavior by strangers to parents or teachers.

In addition, all residents should be aware that Grandmont has its share of vacant houses - one being across from the park near Edison School. Residents (which includes retirees, parents of school children, everyone): If you have a minute during the hours children are on their way to or from school, look out your front window - and observe the activity outside. You are the eyes of our community - please help protect our children.
