Mission Statement

The Grandmont Community Association (GCA) was formed for the preservation of the neighborhood: promotion of quality schools; civic education of the residents and promotion of cooperation and understanding between all of the residents and community businesses.

GRANDMONT COMMUNITY ASSOCIATION BOARD OF DIRECTORS ELECTION UPCOMING IN APRIL

Grandmont residents of who've paid their annual dues vote each April to elect **FIVE** new members to its Board of Directors at our Annual Business Dinner Meeting. All Board members serve a two-year term which is staggered between old and new Board members. This process allows those who are newly elected the opportunity to serve with more experienced Board members.

According to our Grandmont Community Association Bylaws, active Board members serve a maximum of **TWO** two-year terms; a total of four years consecutively. Several current Board members will be ineligible to run again at this time so we need new people to assume their positions.

We are all very blessed to live this wonderful Grandmont neighborhood! We don't have to worry about getting our streets plowed in the winter, provide scholarships for our deserving high school graduates and sponsor many fun-filled activities for our families. Several active community committees sponsor a flower sale, plant flowers at each neighborhood street entrance every spring and keep us safe by working with our Security Committee and Grandmont Radio Patrol.

WE TRULY HAVE A GREAT QUALITY OF LIFE HERE! There are not many communities in Detroit that offer all of the activities and services that we do. **BUT**, it takes dedicated residents working together with their good ideas to make plans and continue this rich legacy.

If your **\$25.00** dues are paid (*only \$10.00 on Southfield Service Drive and Longacre apartments*), you can nominate yourself or have someone else nominate you. All candidates will be asked to write a short statement about themselves and why they are running. If you would like to run or you know someone who would, please contact our Board Secretary, Charlotte Wright, who is in charge of the Nominating Committee or any member on the Board of Directors. Contact information is on page 2 of this newsletter.

JANUARY, 2015 PRESIDENT'S REPORT ~ CORA DUNCAN-FOSTER

1. Our Appreciation Luncheon held on December 13th was full of excitement, with good food and lots of fun! Krystal Thurmond, Social Planning Chairperson, has been organizing this event and our Annual Business Dinner meeting for many years. She is methodical in planning and performing activities to make each event a tremendous success. Thank you Krystal and your team for a job well done!
2. Let's welcome the Morgans to Grandmont! This busy couple just bought Richard Berlin's house and has found the time to volunteer. Bernard and Kathy Morgan have volunteered to be Street Captains for Southfield Service Drive and Block Captains for the (14500-14600) block.
3. We need a Street Captain for Abington Street. So come on and get involved! **WE NEED YOU!**
4. At the annual meeting, we will be electing new Board members. I just know there is a lot of talent here in our community! Grandmont needs you! So right now email your bio to Charlotte Wright, our Secretary! Her email is clwright777@gmail.com.
5. At the salute to the 6th / 8th Precinct's Citizens' Radio Patrol Dinner, Grandmont Community Association's Radio Patrol received a "Certificate of Appreciation" signed by Mayor Mike Duggan.
6. I requested and received City of Detroit "Spirit Award" from Councilmember James Tate's office for Dominique Taylor, our scholarship winner. A thank you email was sent to him and his staff for the certificate.
7. **The house at 14670 Woodmont has been demolished. This left a vacant lot. A Woodmont resident was told that the medical clinic at 14601 Grand River is making this area a parking lot. Resident doesn't want to be living next to a parking lot. I was told that a small part of the land near the alley may belong to the Land Bank Authority. Can the medical center place a parking lot in a resident area? Is this legal? Are there zoning restrictions? Please assist.** This was emailed to both Councilmember James Tate and Rodney Liggons, Land Bank Authority Community Relations. A phone call is forthcoming.
8. The leaf bags were left by the **ADVANCE DISPOSAL COMPANY**. This prompted me to phone Stephanie Young, District One Manager Mayor's Office. She contacted DPW Director Rod Brundidge and came here to inspect the problem. The bags are gone. I sent her a thank you email.
9. I sent a thank you email to Tom Goddeeris, GRDC Executive Director, for answering our concerns at our December Community Meeting.
10. Stephanie Young, District One Manager Mayor's Office, mentioned that 25 boards are available to board up vacant houses.
11. **CDAD** and **MICHIGAN COMMUNITY RESOURCES** invite Detroit block clubs, neighborhood associations, and other similar community-based organizations to apply for a unique opportunity to gain new skills and build capacity to positively impact the quality of life in our neighborhood. From January to June 2015, those accepted will join a cohort of similar groups that receive one-on-one support from CDAD and MCR staff based on our organization's needs. Examples include help with budgeting, evaluation, goal setting, collaboration, meeting facilitation, and many more topics. Participating organizations will have opportunities to connect and learn from each other and similar groups across the city. In addition, groups will also have access to a series of free workshops. I applied for Grandmont, so lets' get involved!

NEW MOBILE APPS CONNECT RESIDENTS WITH CITY SERVICES

NEW BUS APP FROM DDOT SHOWS NEXT BUS ON MAP & GIVES ARRIVAL TIME:

Another new app for city residents was released this week. This app from DDOT maps the next two bus arrivals at your bus stop. It has several new features:

- See what time the next bus will arrive at a specific bus stop
- Look on a map and see where the bus is in relation to a specific bus stop
- Tell the route and time the next bus will arrive at a particular bus stop location
- Plan a trip by seeing which buses and transfers to take to get from one location to another
- Send comments and suggestions (including pictures) to DDOT to help improve DDOT service

We checked the accuracy one day this week using the Fenkell bus and found that the app gives an accurate location of the next two bus arrivals, although the map does tend to lag behind the bus just a bit. Once a bus passes your stop, it disappears from the map. Links to DDOT Bus mobile app can be found in the iTunes App store or Google Play Store for android phones.

If you don't have a smartphone, you can still track your next bus via text messages using "Text My Bus" to provide the estimated arrival time of the next bus in the form of a text message. Just text your location (major cross streets) to **50464** and follow the prompts to get your specific route and bus information.

NEW APP TO REPORT WATER PROBLEMS TO DWSD:

The City of Detroit has partnered with "SEECLICKFIX" to develop the Detroit Delivers mobile app for reporting problems to the city for repair. Residents can easily report potholes, water main breaks, damaged traffic signs, broken traffic signals, downed trees, abandoned cars and much more. This app uses your location and gives you a menu of common quality-of-life conditions to choose from in your service request. You can also upload photos with your report to help the City staff quickly identify the problem.

If you have a smartphone, you can download the apps as follows:

iPhone: <https://itunes.apple.com/us/app/detroit-delivers/id879463277?mt=8>

Android phone: <https://play.google.com/store/apps/details?id=com.seeclickfix.detroitdelivers.app&hl=en>

The Detroit Water and Sewerage Department also has an app you can use to report issues with running water in a vacant property. Go to this website to download app: <http://www.dwsd.org/detroitdelivers>. You can also report problems directly from your computer on the same web page.

MICHIGAN SPIRITS SENIOR TEAM 60 YRS+ WINS THE GOLD! *By Emily C Hall*

There was one minute and twenty-seven seconds left to go in the game. The score was the Village Rockers (a Florida team) with 27 and we had 31. Our best player, Wondella Devers, had injured her knee but was still literally hobbling around the floor chasing down free balls and getting them into the basket. She scored a total of 14 points. As a matter of fact, she got more baskets after she was injured than she did in the first half when she wasn't injured! We had also "borrowed" a 70yr+ player, Mary Gibbs, who had 7 steals. She was fast and treacherous when it came to getting the ball from the opponent. I had done my best in a tournament with 10 points, but my strength was my defense.

By the second half of the game we were trailing 20 to 25 and realized that the referee was not on our side. We felt that many more fouls were called on our team than on the Rockers. Realizing what we were up against, we worked successfully in the second half with our defense to shut them down. They hadn't gotten one shot in up until the last 1:27 second of the game!

However at the 1:27 second mark, the referee did something really strange. He blew the whistle and told the scorers to stop the clock. But then he indicated to the Rockets player to shoot the ball. Our substitute coaches, Staci and Donna (two of the under 50 age players that work out with us) questioned the referee's action in stopping the clock. They challenged as to why after acknowledging his mistake he would add two minutes to the clock *and* allow the points for the shot to stand.

Well, needless to say, these were the only two points the Rockets got in the second half of the game. After that we were more determined than ever that they were not going to benefit from the referee's action and clamped down on them real tight! We got 3 more points in the added time and we ended up winning 34 to 27 and taking home the gold!

We think we're a pretty good team and would welcome sponsors who are interested in promoting active senior women in this 3 X 3 basketball league. If you are interested or know of anyone who may be interested please contact me, Emily C Hall at echallart@comcast.net.

Back row ~ left to right, Mary Gibbs, Emily Hall, Pat Hale, Coach Donna Pope, Territha Kinney, Francis Finnegan, and Wondella Devers. On her knees in the front row is Coach Staci Jackson.

The number "25" on the side of our pants is in honor of Linda Twilley, our teammate whom we lost to cancer last summer. This win was dedicated to Linda!

ENVIRONMENTAL CORNER

GO BLUE! By now all of us within the Grandmont Community have noticed the Blue Advance Disposal Refuse Collection dumpsters. Every other Wednesday these refuse collectors line some of the streets in our community with recyclable materials: glass, paper, metal and plastic for pickup. There are numerous reasons why the residents of the Grandmont Community should be the spearhead of a program that helps in a small way to save our fragile environment and eco system.

The movement to extract materials that take thousands of years of years to decompose in landfills began decades ago. Unfortunately the citizens of Detroit have not had a formal process or program to educate nor collect these materials over the years. Several other cities within the tri-county area have had curbside recycling pickup for years. As the largest city in the state, Detroit needs to educate and empower residents and begin taking the first steps to support a formal recycling program. The journey of 1,000 miles begins with the first step.

The Environmental Committee urges all residents of this great community to join the movement and embrace recycling. Go to the **ADVANCE DISPOSAL** website (<http://www.advanceddisposal.com/mi/detroit/detroit-residential-collection>) or call **844-2-DETROIT (338764)** for details to sign up for curbside collections. All that is required is the purchase of the **BLUE** dumpster – a one-time charge of **\$25.00** – and your first step to helping the environment has begun. Let's make this an infectious action that influences your next-door neighbor to do the same.

- It's winter and the snow has arrived. Create a safe environment by keeping your walkways shoveled, porch lights on, **SAFETY FIRST**. If you notice any violations of GCA rules or regulations regarding: yard waste, bulk waste, garbage dumpsters, contact your Block Capitan for advice to solve these issues. The Grandmont Community Association has a formal process to communicate with violators to rectify and solve.

VACANT PROPERTY TASK FORCE FORECLOSURE HELP!

In conjunction with **GRDC** and the **UNITED HOUSING COALITION**, more than 100 residents received answers to their questions and in many cases a plan of action to keep people in their homes that might otherwise face foreclosure. The meeting held on Thursday, January 15, 2015 was a successful event that fosters community unity in action. Thanks to all the volunteers and neighbors who took advantage of this valuable program. **UNITED COMMUNITY HOUSING COALITION** is a **FREE** and trusted source of information. **THEIR PHONE NUMBER IS 313-963-3310.**

SOUTHFIELD SERVICE DRIVE

Winter is moving slowly towards Spring and that means some action is necessary at the Southfield Service Drive and Lyndon as well as some care at vacant lots. We need your ideas as well as some labor and muscle to activate these plans and ideas. Call **313-836-3736** to get onboard.

2014 WAYNE COUNTY TAX AUCTION

A courtesy welcoming letter has been sent to winning bidders of homes in Grandmont asking for emergency contact information and property management names and phone numbers. If you live in one of these homes – or if you are a neighbor of one of these auction properties – or have the owners name/phone number of a vacant property, please share that information with me. We need to communicate Grandmont's Best Practices, Standards, Expectations of Maintenance, and Owner Responsibility more effectively and in a timely manner with homeowners and residents in our neighborhood.
