APRIL, 2016 PRESIDENT'S REPORT ~ MARK JANUSCH

If you've never attended a GCA Annual Meeting, please join us on Saturday, April 9th at 3 PM at Christ the King Catholic Church on Grand River. **THIS ANNUAL GATHERING PROVIDES YOU A CHANCE TO PAY YOUR DUES IN PERSON, SOCIALIZE WITH YOUR NEIGHBORS, ENJOY A TASTY MEAL, AND RECEIVE AN UPDATE ON THE STATE OF OUR GRANDMONT COMMUNITY.** Board members and committee chairs will be on hand to address any questions or concerns you may have during the business portion of the meeting.

A "Special Thanks" to Grandmont resident Lorena Rashid who made a generous contribution of **\$100** to the GCA Scholarship Fund. This money was her commission on the SCENTSY products she sold to Grandmont residents. You may also want to consider making a contribution to the Scholarship Fund. We will collect money throughout the year in hopes of bringing back this Grandmont tradition that started in 1997 but was suspended last year because of budget reasons. Any money received for the Scholarship Fund will be earmarked in the budget and held until we have enough funds to offer a Scholarship to a deserving high school senior.

Joanne Podlucky has taken on bringing back the Grandmont Flower Sale. See the order form in the March Grandmonitor. This is an excellent and affordable way to add some color and beauty to your garden. Planting flowers has a ripple effect. Those colorful blooms help to enhance our community too.

Make this the year you decide to "give back" by volunteering some of your time to your community. The Grandmont Community Association will have five board positions available this April. If you would like to serve, please consider running for a position on the board. This is open to Grandmont residents who are current in their dues. You may submit your name and a brief biography to Krystal Thurmond. The election will take place at the annual meeting.

I look forward to seeing you at the Annual Meeting.

Respectfully,

Mark Janusch, President GCA

GIVING TO OUR SCHOLARSHIP FUND IS GIVING TO OUR FUTURE

For more than fifteen years, the Grandmont Community Association has awarded an academic scholarship to deserving graduates. Your support has been appreciated. At this time, we would like to continue in this effort, but our fund has been depleted.

As the Scholarship Committee Chair and on behalf of the entire Scholarship Committee, we need your support to continue this effort. I request that the residents of this community continue to participate in our many fund raising efforts which include the Flower Sale and Art Fair. These activities support the scholarship fund.

Donations are always accepted. Please mail your donation to: Grandmont Community Association Attention: Scholarship, P.O. Box 27790, Detroit, MI 48227.

If you have any questions, feel free to contact, Cora A. Duncan-Foster, Scholarship Chair, at **(313) 273-7914**.

Sincerely, Cora A. Duncan-Foster

VACANT PROPERTY TASK FORCE / ENVIRONMENTAL CORNER

ENVIRONMENTAL/VACANT PROPERTY TASK FORCE NEWS!

APRIL – “No matter how long the winter, spring is sure to follow.” Proverb

THANK YOU to all our neighbors and friends who bought tickets – or made donations – to our **VACANT PROPERTY TASK FORCE FUNDRAISER** on Sunday, March 13th at the North Rosedale Community House. Park Players enthusiastically performed the music of Fats Waller in “*Ain’t Misbehavin*”. It was great fun, marvelous music, song and dance and the food, donated by our members and friends was the “icing on the cake.” I believe everyone had a memorable and enjoyable experience which also helped showcase the abundance of neighborhood talent within our areas. The proceeds from this event will be noted at the GCA Annual Meeting on April 9th and will go directly for upkeep, maintenance and securing our vacant properties. On behalf of our **VACANT PROPERTY TASK FORCE** committee-members, we are grateful and appreciate your support!

UPCOMING EVENTS:

The **GRDC** residential area will be holding its annual **NEIGHBORHOOD OPEN HOUSE IN EARLY MAY** to showcase our five neighborhoods (**GRANDMONT, GRANDMONT 1, MINOCK PARK, ROSEDALE PARK AND N. ROSEDALE PARK**). Please start **NOW** to make certain we make a good first impression to visitors as well as possible homebuyers to our area. Plan to make your home and yard look its best. You will be satisfied knowing you are contributing to a better City/Community vision and your neighbors will appreciate your good deeds and attention to detail regarding home maintenance and yard work. **THANK YOU!**

NOTE: **CITY INCOME TAXES** are now being collected by the **STATE**. That means **CITY INCOME TAXES ARE NOW DUE APRIL 15** (NOT APRIL 30 AS BEFORE).

I’d like to thank our **NPOs (NEIGHBORHOOD POLICE OFFICERS)** for being in the community and helping to build a better community through neighborhood policing while managing those “*quality of life*” concerns that help strengthen and create safer, more attractive neighborhoods. Officer Shawn Childrey, **313-596-5217 (W)** or **313-590-5199 (C)** and Officer Corey Marshall as well as the other Neighborhood Police Officers of the 6th and 8th Precincts are to be commended for their tireless and sometimes thankless job. We in the Grandmont Community certainly sing your praises and appreciate all that you do and accomplish. **THANK YOU SO MUCH!**

These officers often work together with our **DISTRICT 1, DEPARTMENT OF NEIGHBORHOODS**, managed so effectively and efficiently by Manager Stephanie Young (youngst@detroitmi.gov) and Assistant Manager Reggie ‘Reg’ Davis (davisr@detroitmi.gov) who are located at the Crowell Recreation Center, 16630 Lahser. They report directly to Mayor Duggan with our neighborhood concerns and often seem to work miracles on very short notice with helpful assistance to the Grandmont Community. **THANK YOU SO MUCH!**

FRIENDLY REMINDER: **Detroit City Ordinance Article 1/Section 50-1-12** states that you cannot play basketball (games) in the street or place a basketball hoop in the street. Not only is this a **SAFETY** issue as cars often **SPEED** down the streets which puts those playing at risk of injury or worse, but a **Quality of Life** issue for neighbors as well as drivers. Please don’t put your children in danger for something that is not allowed on the City of Detroit streets! Basketball Hoops can be confiscated if the ball playing continues.

DRIVERS, please pay attention to the **25 MPH** speed limit on residential roads in Grandmont.

PLEASE DRIVE SLOWLY - DRIVE SAFELY - AND DRIVE QUIETLY - ON OUR STREETS.

WE APPRECIATE YOUR THOUGHTFUL CONSIDERATION AND GOOD NEIGHBOR CONDUCT.

Diane Patterson, 313-836-3736

SPRING IS IN THE AIR!! ~ SPRING SECURITY/SAFETY TIPS

As we behold its miraculous transformation from our backyard or our porch, we also need to pay attention to the security of our environment:

- When you open your windows to let in those floral fragrances, make sure that you don't leave them open when you leave your home. Similarly, when you are out working in your yard, take the time to lock your house doors or first floor windows;
- Be alert when you are outside in the garden or doing home repairs. Be aware of who is walking or driving in your vicinity.
- Secure your air conditioning unit using a gate or alert device (alarm companies often have these features).
- Burglars can move through a home incredibly swiftly, even when a resident is in the vicinity.
- Also, take the opportunity to talk to your neighbors. Getting to know your neighbors helps you feel more comfortable in your neighborhood. If you get to know the patterns of the people around you, it is much easier for you to look out for one another.

HOME SECURITY CHECKLIST

Use this as a guide as you check your home for safety measures. Boxes marked "no" indicate areas where you could take action to improve your home's security. These are just some of the steps you can take to decrease the likelihood that your home is targeted.

YES NO Exterior Doors

All doors are locked at night and every time we leave the house—even if it's just for a few minutes.

Doors are solid hardwood or metal-clad.

Doors feature wide-angle viewers at heights everyone can use.

If there are glass panels in or near our doors, they are reinforced in some way so that they cannot be shattered.

All entryways have a working, keyed entry lock and sturdy deadbolt lock installed into the frame of the door.

Spare keys are kept with a trusted neighbor, not under a doormat or planter, on a ledge, or in the mailbox.

YES NO Garage and Sliding Door Security

The door leading from the attached garage to the house is solid wood or metal-clad and protected with a quality keyed door lock and deadbolt.

The overhead garage door has a lock so that we do not rely solely on the automatic door opener to provide security.

Garage doors are all locked when leaving the house.

The sliding glass door has a strong, working key locks.

A dowel or a pin has been installed to prevent the door from being shoved aside or lifted off the track.

The sliding door is locked every night and each time we leave the house.

YES NO Protecting Windows

Every window in the house has a working key lock or is securely pinned.

Windows are always locked, even when they are opened a few inches for ventilation.

YES NO Outdoor Security

Shrubs and bushes are trimmed so there is no place for someone to hide.

There are no dark areas around our house, garage, or yard at night that would hide prowlers.

Every outside door has a motion-sensored, bright, working light to illuminate visitors.

Motion-sensored floodlights are used appropriately to ensure effective illumination.

Our house number is clearly displayed so police and other emergency vehicles can find the house quickly.

YES NO Security When Away From Home

At least two light timers have been set to turn the lights on and off in a logical sequence when we are away from home for an extended time period.

The motion detector or other alarm system (if we have one) has been activated when we leave home.

Mail and newspaper deliveries have been stopped or arrangements for a neighbor/friend to pick them up have been made when we go away from home for a period of time.

A neighbor has been asked to tend the yard and watch our home when we are away.

YES NO Outdoor Valuables and Personal Property

Gate latches, garage doors, and shed doors are all locked with high-security, laminated padlocks.

Gate latches, garage doors, and shed doors are locked after every use.

Grills, lawn mowers, and other valuables are stored in a locked garage or shed, or if left out in the open, are hidden from view with a tarp and securely locked to a stationary point.

Every bicycle is secured with a U-bar lock or quality padlock and chain.

Bikes are always locked, even if we leave them for just a minute.

Firearms are stored unloaded and locked in storage boxes and secured with trigger guard locks.

Valuable items, such as televisions, stereos, and computers have been inscribed with an identifying number approved by local police.

Our home inventory is up-to-date and includes pictures. A complete copy is kept somewhere out of the house.
