## GRANDMONT SCHOLARSHIPS ~ DARE TO GIVE TO OUR FUTURE LEADERS

The Grandmont Community Association is a community with a mission. One of those missions is to provide scholarships to our graduates as they embark upon a future filled with complexities and uncertainties. At this time, we have a small amount of money to award scholarships to students who have worked tirelessly to graduate this year.

As the Scholarship Committee Chair and on behalf of the entire scholarship committee, we need your support to continue this effort. I request that the residents of this community continue to participate in our many fundraising efforts which include our annual Grandmont flower sale and Arts and Crafts Fair. These activities support the scholarship fund.

Donations are always accepted. Please mail donations to "Grandmont Community Association" Attention: Scholarship, P.O. Box 27790, Detroit, MI 48227.

If you have any questions, feel free to contact me at [\(313\) 273-7914](tel:3132737914).

*Sincerely, Cora A. Duncan-Foster, Scholarship Chair*

## MONTESSORI PROGRAM AT EDISON ELEMENTARY

*New Montessori Program a huge draw for families to Edison Elementary*

Edison Elementary was one of just three Detroit Public Schools this fall to launch a tuition-free public Montessori program, and the program has been a draw to families.

Edison has attracted 69 students to the program, which was part of an Innovation Proposal in Detroit Public Schools Community District to bring public Montessori programs to seven classrooms in three schools for Fall 2016. The other programs are located at Spain Elementary-Middle School in Midtown and Maybury Elementary in Southwest Detroit.

"We are so pleased to offer the Montessori curriculum to our families," said Edison Principal Marcus Davenport. "Edison is located in the heart of some of the strongest communities in the city of Detroit and we know our parents have many schools from which they can choose. Being able to offer this proven, well-researched program shows that we are serious about being innovative and offering families desirable programming that will boost academic success."

The Montessori program builds upon a variety of specialized offerings at Edison, including technology-rich classrooms, a partnership with Art Road to bring inspiration art projects to classes, university partnerships, including ones with Michigan State Student Teachers and University of Michigan Pre-Student Teachers program, a Student Broadcast Team and Geek Squad Technology Club.

The Montessori program allows for a student-centered, hands-on learning approach in a multi-age learning environment. At Detroit, Public Montessori, our purpose is to foster a love of learning and help all our children reach their fullest potential at their own unique pace. We strive to educate the whole child and to inspire children to be caring, socially responsible participants both in our community and in the larger world, said Nicola Turner, Director of Montessori for DPSCD.

Students in the Montessori classrooms engage in lessons where they acquire clear, conscious, information and learn to make independent decisions in a prepared environment. Parents will also participate in Family Community meetings that help them understand the Montessori philosophy.

Teachers, who spent the summer engaged in intense training to prepare their new learning environments, have been excited to welcome their new students into their classrooms and bring the highly-regarding teaching model and curriculum to DPSCD, Turner said.

"These dedicated and wonderful teachers continue their training monthly by giving up one Saturday a month to continue to invest in the Montessori learning process," Turner said.

The program at Edison includes four classrooms for grades Pre-K to 2 for 4 to 7-year-olds. The district hopes to extend the program through fifth grade in the coming school years.

For information on how to enroll in tuition-free public Montessori, please e-mail [Nicola.Turner@detroitk12.org](mailto:Nicola.Turner@detroitk12.org) or call Edison Elementary at [313-852-1066](tel:3138521066).

## VACANT PROPERTY TASK FORCE / ENVIRONMENTAL CORNER

**APRIL...** “No matter how long the winter, spring is sure to follow”, says a proverb. This winter we were blessed with warm, almost summerlike temperatures in mid-February. Certainly reason enough for some to overlook “neighborly good practices” with music playing a little too loud, kids playing in the street, and other signs of early spring fever taking over a bit of common sense. We all appreciated the relief from winter blahs and winter blues and will eagerly anticipate the coming seasons, hopefully with the expected consideration of peace and quiet and common courtesies toward our neighbors in our community.

**FORECLOSURE HELP** – Perhaps a good sign was the fewer amount of people than in past years who attended the Foreclosure Prevention Workshop on February 16<sup>th</sup>. Ted Phillips and the capable staff at **UHC (UNITED COMMUNITY HOUSING COALITION)** did a wonderful job in explaining various programs available in a confidential setting that might help each person facing foreclosure. All this expertise was available right in our own community and we thank them for their assistance. Please feel free to visit their office at 2727 Second Avenue, Suite 313. Phone: **(313) 963-3310**. **PLEASE NOTE:** If you are in a payment plan, you may be able to reduce your interest rate: Interest Reduction Stipulated Payment Agreement (**IRSPA**)\* reduces interest from 18% to 6% for all taxes owed, requires a small deposit and monthly payments over five years. This plan will be available: **AFTER** April 9, 2017 until June 17, 2017. \***By law this plan is discretionary with the Wayne County Treasurer.**

**VACANT PROPERTY TASK FORCE BENEFIT FUNDRAISER**, Sunday, April 9<sup>th</sup> – A ticket to Park Players’ **Sister Act** performance on Sunday, April 9<sup>th</sup> will not only guarantee you a good time and lots of laughs, but it will also help stabilize your neighborhood! Proceeds from this performance supports the **VACANT PROPERTY TASK FORCE**, a group of dedicated volunteers who have been working on addressing vacant property problems in the Grandmont Rosedale communities for the past nine years. Sister Act is a musical comedy smash hit, based on the hit 1992 film that has audiences jumping to their feet! This uplifting musical was nominated for five Tony Awards, including Best Musical. It is fun for the whole family!

The **PARK PLAYERS'**, Detroit's oldest community theatre group, has been presenting theatrical productions without interruption since the early 1950s. All performances are held at the N. Rosedale Park Community House which was built in 1939 and is located at 18445 Scarsdale at the center of the historic North Rosedale Park neighborhood.

The **GRANDMONT ROSEDALE VACANT PROPERTY TASK FORCE** was formed in 2008 in response to the housing market crash and “Great Recession”. Resident volunteers noticed an increasing number of foreclosures and subsequent vacant properties and were committed to doing what they could to help preserve the stability and character of the Grandmont Rosedale community. The Task Force is stronger than ever and has a great impact on our community. Members advocate for the demolition of dangerous properties, assist with code enforcement, host dozens of cleanups at vacant properties, mow hundreds of overgrown lawns per year and host tax foreclosure prevention workshops. This diligent group of dedicated volunteers needs **YOUR** help to fund the important work they do!

Tickets are **\$25** for adults and **\$20** for students. Doors will be open at 2 PM; show begins at 3 PM Appetizers and refreshments will be provided. Contact Chelsea at **313.837.4732 x103**, [cneblett@grandmontrosedale.com](mailto:cneblett@grandmontrosedale.com) or Diane Patterson at **313-836-3736** to get your tickets **TODAY!**

**FRIENDLY REMINDER AND SAFE PRACTICE:** Detroit City Ordinance Article 1/Section 50-1-12 states that you cannot play basketball or place a basketball hoop in the street. Not only is this a **SAFETY** issue as cars often **SPEED** down the streets which puts those playing at serious risk of injury or worse, but a **QUALITY OF LIFE ISSUE** for neighbors as well as drivers. Please don't put your children in danger for something that is not allowed on the City of Detroit streets! Basketball hoops can be confiscated by Police if the ball playing continues. **DRIVERS**, please pay attention to the **25 MPH** speed limit on residential roads in Grandmont. We appreciate your thoughtful consideration and good neighbor conduct.

**PLEASE DRIVE SLOWLY – DRIVE SAFELY – AND DRIVE QUIETLY – ON OUR STREETS.**

*Diane Patterson, 313-836-3736*

### NOTES FROM THE GRAND RIVER PLANNING MEETING

Over 75 northwest Detroit residents packed Bushnell Church last Wednesday for the second of four planned meetings for citizen input into plans for upgrades to Grand River and other area corridors.

Participants worked in group, discussing a variety of ideas for redesigning the Grand River roadway, repurposing the now-closed Rogell Golf Course site, and highlighting historic and cultural sites in the area. Audience response technology collected data for a range of ideas to tally reactions. Finally, two locations were identified as first targets: Grand River/Fenkell/Southfield, and Grand River/Lahser.

The next meeting is set for April 18, and is a planned open-house format, which will allow drop-in visits and discussion. The time and place will be announced.

For those who have not had a chance to take part in one of the meetings, the City Planning Department and design staff have set up an online survey to gather more input. You can find a link to the survey at [www.detroitmi.gov/northwest](http://www.detroitmi.gov/northwest).

If disaster strikes your home or business, don't face the insurance company alone. What you don't know can seriously impact your settlement!!!!

Hire a licensed Public Adjuster to advocate for you. We have over 20 years of experience in the insurance business. We are experts at interpreting your policy. Call today with any question you may have. You can't afford to just go at it alone and expect the insurance company to treat you fairly.

We will accurately evaluate the damages to your structure and/or contents and create an itemized estimate for you. We will fight hard to negotiate the settlement you deserve!
