JUNE, 2017 PRESIDENT'S REPORT ~ MARK JANUSCH

It has been a few months since I last updated the residents of Grandmont. In April, we had our Annual Dinner Meeting at Christ the King Church. It was well attended; we elected two new board members and reelected three incumbents. The new members are Yvonne Sanders and Ottumn Kennedy. At the May board meeting we reelected the same officers who served in 2016. Jomo King was elected to the 11th member position on the board replacing Cora Duncan-Foster who held that position for the past year (*Five (5) members are elected each year at the Annual Meeting of the Association for a term of two (2) years thereafter or until their successors shall be elected or appointed. One additional member may be appointed annually for a term of one (1) year by the combined elected incoming and outgoing Board in recognition of his/her long standing contributions to the Grandmont Community.*)

We've had our share of property crime involving unoccupied homes. I got involved with one incident recently and helped with boarding up the house and getting the utilities turned back on. Techniques that the perpetrators are using are to toss a large rock or chunk of concrete through a window and wait to see if there is a response. They pull the electric meter and cut the phone line. They then enter and disable the alarm system if it has been set off with a motion detector. Detroit Police responded very quickly; the only items taken were a flat screen television and the hot water tank. So for a flat screen that would pawn for **\$25** and **\$7** scrap value on the water tank they did hundreds of dollars' worth of damage! Please look out for one another. If you see something suspicious call 911 and report the crime. We must all work together to drive crime out of our neighborhood!

On Monday May 15th, I had the privilege to attend an update with Mayor Duggan to hear about his plans for the neighborhoods. The meeting was well attended. These are the key points he discussed:

MAYOR DUGGAN'S 4 YEAR NEIGHBORHOOD PLAN

- Organize "Board Up Brigades" for vacant houses. Approximately 100-200 per week will be boarded up
- Crack down on illegal dumping, install cameras and seize vehicles of violators
- Stringent code enforcement of rental homes. Over the next three years all of the 50,000 rental properties must be inspected and brought up to code. If a property does not have a certificate of occupancy, the tenant can stop paying rent. Presently only 5,000 properties are registered as rentals. Additional inspectors will be hired. Certificates of occupancy must be renewed each year.
- Remove 10,000 dead trees
- Replace 250,000 broken slabs of concrete sidewalks
- Expand neighborhood police officers from 44 to 59
- Clean out street catch basins
- Strategic neighborhood funding to invest in West Village, Bagley/Fitzgerald, and SW Detroit
- Increase the number of commercial building demolitions..

Respectfully,

Mark Janusch, GCA President

GRANDMONT PATROL #4 SUPPORTS 911 DISPATCHERS AND STAFF

Police Officers around the country are celebrated annually during the third week in May during National Police Week. Fallen officers are memorialized in Washington D.C. and other events honoring officers who protect us every day are held there and locally including here in Detroit. Police Community Relations Organizations around the city honor officers in each precinct. Police officers and staff in our NW District (6th & 8th) Precincts are well fed on all three shifts to show our appreciation for their service to our neighborhoods and they are very appreciative of the recognition and the food.

In our community, the Grandmont Rosedale Development Corporation (GRDC), goes even further. One of the GRDC committees, the Crime Prevention Task Force (CPTF), also honors 911 dispatchers who are the "HIDDEN HEROES & HEROINES" lifeline for the community and radio patrol as well as police officers. Remember, when you need help/police, who do you call? – 911! The CPTF is made up of representatives from each of the GRDC communities and the primary mission is to provide safety information to residents generally through our bi-monthly Neighborhood Safety meetings and provide support to our radio patrols. Most of the task force members are also radio patrol members in their respective communities.

This year, CPTF members who participated are Deborah LaViolette, Rosedale Park; Cheryl Minniefield, Grandmont 1; Clarenda Webb, N. Rosedale Park; Michele Day, Mary Muhammad and Freda Dawson, Grandmont. Clarenda, Freda, Mary and Michele are members of the Grandmont Patrol #4 which donated \$50 toward this worthy project. Capt. Torres proudly informed us that her staff was "so appreciative of the kindness and recognition showed by you and the wonderful members of Grandmont Rosedale who volunteer countless hours to make this community a safe and enjoyable place to call home!" They surprised CPTF with an Appreciation Award!

If disaster strikes your home or business, don't face the insurance company alone. What you don't know can seriously impact your settlement!!!!

Hire a licensed Public Adjuster to advocate for you. We have over 20 years of experience in the insurance business. We are experts at interpreting your policy. Call today with any question you may have. You can't afford to just go at it alone and expect the insurance company to treat you fairly.

We will accurately evaluate the damages to your structure and/or contents and create an itemized estimate for you. We will fight hard to negotiate the settlement you deserve!
