## GRANDMONT WELCOMES DPD's 8<sup>th</sup> PCT. TO THEIR NEW HOME!

**T**welve years ago, the Detroit Police Department decided to combine precincts into districts in order to save money. At the time, Grandmont was in the 6<sup>th</sup> precinct. It was combined with the 8<sup>th</sup> precinct previously on the corner of Grand River and W. McNichols across from the now demolished Redford High School. Both of those locations are now home to several relatively new retail business developments that have been well-received by residents in the northwest Detroit area.

After Chief Craig was hired, he reorganized the department and drew different precinct boundaries. Grandmont was moved from the 6<sup>th</sup> to the 8<sup>th</sup> precinct. The 8<sup>th</sup> precinct boundary was formerly Fenkell, now it is Schoolcraft. With gentrification and the city's population shift, the 8<sup>th</sup> precinct has the most city residents.

**O**ne-by-one, the department's districts once again became stand-alone precincts more centrally located to better use patrol and equipment resources and serve their respective community areas – except for the 8<sup>th</sup> precinct. Seems like there was no suitable building or area to make it happen. Then, after finding just the right location, several issues had to be resolved – like preserving a historic building adjacent to the prospective new precinct. Our Grandmont Rosedale area residents have a long history of advocacy for the historical homes, support for local businesses and other issues that sustain the quality of live in our area communities. Once resolutions were found, our new precinct was on its way!

Finally, on Monday, July 24<sup>th</sup>, the 8<sup>th</sup> precinct opened for business with a ribbon-cutting ceremony attended by the police administration and other staff, other elected officials and many community supporters. The 8<sup>th</sup> precinct address is 21555 W McNichols next to Meijer. Precinct phone number is **313-596-5800**.

## VACANT PROPERTY TASK FORCE / ENVIRONMENTAL CORNER

**FORECLOSURE UPDATE:** Please pay attention to any vacant properties on your block. Know the address and cross streets in case you need to call 911 or our NPO. It's a smart idea to remove circulars or papers from that property. Be aware that people are watching to see if anyone is taking care of the property – if not, it could be seen as an opportunity for criminal activity or trespassing. If there is a vacant property on your block, please call me or your Block or Street Captain to see what steps can be taken to make sure lawns are cut and the property is secured. If you've recently moved into the Grandmont Community – first, **WELCOME!** and second, if you don't know your Street or Block Captain, please call Ethel Smith (**313-864-3666**) who is in charge of our Block & Street Captain Network. Perhaps you would like to volunteer to help out if your block is not represented. We certainly could use your help! **THANK YOU!**

**BETTER BANG FOR YOUR BUCK!** Yes, 4<sup>th</sup> of July is over, but it seems not for everyone! I hope by the time you read this, firecracker activity has finally stopped. But let's put things in perspective. How much do you spend on fireworks, certainly if you or your family spend more than **\$25.00** – and you haven't yet paid your GCA dues – that same money can pay those dues for the entire year! That well spent money helps pay for Ramsay Park cleanups – bags, weed control and other things that help keep our park clean and safe for families. Your dues money also pays for our street snow removal contract paid for regardless of the amount of snow on our streets. Beautification, Scholarships, the Arts & Crafts Fair and good things waiting to happen when funds are available are all possible thanks to you doing the right thing by paying your fair share (which is very reasonable) to promote Community in Grandmont. Please Pay Your Dues! We need your support – and you will certainly receive more Bang for your Buck than any firecracker can bring!

**YARD WASTE REMINDERS:** The City picks up Yard Waste and Branches from April to December every other Monday, the same day as our Bulk Pickup Day. Only PAPER BAGS are collected – **NO PLASTIC BAGS!** Yard Waste should be placed **SEPARATE** from your bulk items. Branches and twigs should be in bags if they are small enough, but larger branches need to be **BUNDLED** and can't be larger than 4 feet long or 18 inches in diameter.

Please remember that no construction wood will be picked up by **ADVANCED DISPOSAL**. For further information go to their website at [www.advanceddisposal.com/mi/detroit/detroit-residential-collection](http://www.advanceddisposal.com/mi/detroit/detroit-residential-collection)

**NOTE:** You can now sign up for City of Detroit pickup reminders on the **CITY OF DETROIT PUBLIC WORKS** website which now offers this exciting new feature. Residents can sign up for text message and/or email notifications for when it is time to put your garbage, recycling, bulk and yard waste out for pickup. Go to the City of Detroit Website – Public Works Department. You can also enter your address to get this information. Of course we make it so easy for you in Grandmont, just read your **GRANDMONITOR!** The information is in this issue!

## IN MEMORY OF DOUGLAS ALEXANDER RAMSEY

*On Saturday, August 5<sup>th</sup>, many Grandmont residents and others around our community will come together and have a wonderful time at our annual Arts & Crafts Fair in Ramsay Park without even thinking about who the person was for whom the park was named. Doug Ramsay grew up on Rutland St. right behind the park where he once played; his house is still here. He attended Edison School where they would flood the playground every winter so he could practice skating. He was a child skating prodigy, 10 years old when he won his first championship and only 16 when he died in 1961 on his way to the World Championships.*

### DOUGLAS RAMSAY MEMORIAL PLAYGROUND: WHO WAS DOUGLAS RAMSAY?

Douglas Alexander Ramsay, born in 1944, was the second child of Alex and Jean Ramsay's four children. He began skating at age six on a makeshift pond. At age eight he joined the Detroit Skating Club and began lessons with Coach Bill Swallender. Doug traveled with his coach to summertime training, in Lake Placid, East Lansing, and several Canadian summer centers. He enjoyed a string of Midwestern championships, winning the juvenile title in 1955, the novice title in 1956 and the junior title in 1957. An illness in 1958 prevented him from competing at the 1958 Midwesterns. Beginning in 1957, Doug went to Nationals every year; he had limited success, placing eighth in 1957, fifth in

1958, and fourth in 1959. Finally in 1960, he captured the U.S. men's junior title in one of the closest junior men matches in history.

At the 1961 U.S. Championships, Doug placed fourth and was named the first alternate to the 1961 U.S. World Team. When Tim Brown, the 1961 bronze medalist, bowed out due to health problems, the USFSA invited Doug to join the team a week before the 1961 North American Championships. Although Doug placed fourth in Philadelphia, he was a huge sensation at his first international competition. Through the years people compared him to champions Dick Button, Ronnie Robertson, David Jenkins, and in time, Scott Hamilton. The last-minute inclusion of Doug on the 1961 World Team also included his coach Bill Swallender, who flew with him to Prague. Had he not perished in that fateful plane crash, he may have been the first big television skating star.

Their plane crashed near the Brussels airport on February 15, 1961, killing all on board. The 1961 Worlds Figure Skating Championships in Prague, Czechoslovakia were canceled. Their lives were cut short but their influence continues to this day.

Douglas Alexander Ramsay is buried in White Chapel Memorial Park Cemetery in Troy, MI.
