#### Mission Statement

The Grandmont Community Association (GCA) was formed for the preservation of the neighborhood: promotion of quality schools; civic education of the residents and promotion of cooperation and understanding between all of the residents and community businesses.

April's GCA board meeting will be canceled so that we as a community can support the Ramsay Park cleanup and the GCA Dinner.

**D1 Satellite Meetings are Friday April 6 & April 20th (11am-1pm).**

Meetings are in a relaxed setting, chaired by D1 Councilman James Tate, at the Java House Coffee House. Coffee is generously provided by Councilman Tate.

At the March 2 meeting Mr. Richard Burk our D1 contact ([313-288-7834](tel:313-288-7834)) from Advanced Disposal answered many questions and provided informational handouts. He told us that Yard Waste collection will resume for Grandmont on Monday, April 16 - along with our regularly scheduled Bulk pick-up dates.

## Vacant Property and Environmental

Neighbors please pay attention to the rules of pick-up. Bulk and Yard Waste should be placed separate from each other. Please make sure vehicles aren't blocking the area. Yard Waste will be collected in paper bags or you can use your own 32 gallon reusable plastic or metal container. This container must be marked "Yard Waste Only" and there is a 60 pound weight restriction. Twigs or branches less than 4 feet in length or 2 inches in diameter may be placed in your yard waste bags. Otherwise, bundled branches should be no more than 4 feet long or not weigh over 60 pounds.

Advanced Disposal won't pickup your garbage with protruding items. Note that all garbage should be bagged. Sometimes items fly out of the container. Loose garbage only litters our neighborhood and can attract rodents.

Call Mr. Burk ([313-288-7834](tel:313-288-7834)) if you need a replacement lid for your container. Generally these replacement lids or wheels are free. Advanced Disposal will determine the scope of damage and if there is a charge to you. New containers are \$20.00 and it might be time to consider a new Courville Can. Holes in the lids defeat the purpose of keeping rodents as well as rain or snow out of the container. Thanks for being "Good Grandmont Community Neighbors"

**GRANDMONT COMMUNITY IS STILL WAITING FOR THE CITY TO DEMOLISH 14034 SOUTHFIELD!**

Mayor Duggan told us it would be down by February 2018. Stay tuned - and/or call to complain about this eyesore to the Mayor's office at [313-224-3400](tel:313-224-3400). We can hope that by the time you read this - 14034 Southfield will be a lot ready to beautify.

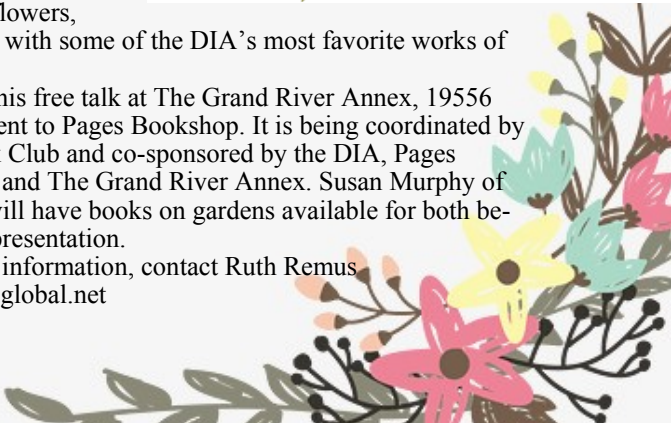

Rosedale Book Club Presents...

All are invited to this free talk at The Grand River Annex, 19556 Grand River adjacent to Pages Bookshop. It is being coordinated by the Rosedale Book Club and co-sponsored by the DIA, Pages Bookshop, GRDC and The Grand River Annex. Susan Murphy of Pages Bookshop will have books on gardens available for both before and after the presentation.
