It was my great honor to be elected as president of the Grandmont Community Association. I have been a proud neighbor of Grandmont for 10 years and a member of the board for just over two years.

I currently serve as the Marketing & Engagement Manager for WDET 101.9 where I spend most of my days thinking of how we can engage in more meaningful and powerful dialogue and community building. I will bring that same instinct to my term as president.

Detroit is changing. You can decide for yourself if we are headed in the right direction, but what I do know is that this space we take up inside of Detroit, our "Home of Good Neighbors", remains a strong and viable community and that is solely because of the people who live here. We represent diversity in every possible way, but most of us are of the same mind when it comes to keeping our neighborhood safe, clean and enjoyable for all. The question I am left with is how do we continue the wonderful work of past boards and begin to amplify our efforts? I will work to ensure that Grandmont is represented as much as possible in conversations big and small around development in our area and that we continue our internal work to ensure our neighborhood is a place people want to live and visit. I am here to listen. Should you have any questions or comments my contact information is below.

We can all start to increase our support of Grandmont in three easy ways:

1. Pay your dues: This small yearly membership helps us provide snow removal (which was very helpful this past winter), a beautiful Art Fair, other social functions and a number of other efforts that benefit all of us. Dues can be paid via mail or by PayPal. Get the details at [www.GrandmontCommunityAssociation.org](http://www.GrandmontCommunityAssociation.org)
2. Attend a board meeting or Grandmont event: Coming to a board meeting (held the 1st Saturday of the month at GRDC) is a great way to meet new neighbors and find out how you can get involved in Grandmont. We have a number of committees for people with all kinds of interest. We also host events. Check the back of the Grandmonitor each month for a list of upcoming events.
3. Take care of one another: We are our neighbor's keeper. Get to know your neighbors. Look out for them and their property and extend your kindness whenever you can.

# VACANT PROPERTY TASK FORCE

## Trees, please!

According to the Forestry Department, the City will be planting trees in Grandmont this Fall. These trees are planted free of charge (and come with a guarantee!) on the city berm area (between the sidewalk & street). We will provide a list of addresses where trees are needed, but if you want a tree planted in front or along the side street if you are on a corner, please let me know your address.

The City has a limited number of trees to plant, and will give priority to actual requests from neighbors from the list we provide.

## Did you know?

Mini-Bikes are NOT PERMITTED on Detroit Streets or Sidewalks.

Detroit residents and parents should be aware that operating mini-bikes or pocket-bikes is not permitted on the streets and sidewalks in the City of Detroit. These vehicles are not considered "street legal" according to Chapter 55 of the Detroit City Code, consistent with the Michigan Vehicle Code and the Michigan Uniform Traffic Code.

All Detroit parents are urged to keep their children safe from harm and the inherent dangers of illegally riding these mini-bikes on public streets and sidewalks:

- Motorists cannot always see these small vehicles.
- Youngsters riding these small vehicles are not licensed.
- Youngsters riding these small vehicles are unaware of standard traffic safety laws and frequently disregard them, thus endangering themselves and others nearby.
- Be a good and responsible parent. Keep you children safe.

## Vacant Property

Ethel Smith & I surveyed Grandmont on May 25 to determine the number of vacant properties in our area. We are happy to report the number has gone down. While we still have too many vacant properties, many of these homes are being renovated or are in the process of being sold. We have contact information on most properties - including some out of the country owners, which is necessary to establish good communication with the owner or property management company so they become aware of our best practices, neighbor concerns, rental registration, annual dues, and what we offer for those dues, and our R1-R2 zoning restrictions.

We appreciate and need Block/Street Captain notification (or a neighbor!) of a home that becomes vacant. Please let me know the address and any other information you might have. Our Radio Patrol should also be notified to help monitor that vacant property.

## Lawn-cutting

Something that shouldn't need to be said but sometimes is: Lawn cutting includes the backyard! Long grass provides an unsafe haven and area where rodents and rats can breed. Not a safe environment for our community. To report overgrown yards contact Detroit Environmental Dept. at 313-876-0974.

### Did you know Detroit has gone digital?

There is now an app that allows you to upload photos and videos of blight, to check on transit times in the city, to connect with your local police, and even to check your water bill. The app is called Improve Detroit and it is available on iPhone and Android.

Not sure how to navigate the app or have questions? Come to Always Brewing Detroit on July 12th at 10 am for training on how best to use the app!

There will never be a replacement for friendliness and neighborliness, but this will help us to improve our community and the city of Detroit, at large!
