## Dues Invoice System coming in 2019

The GCA board of directors has approved a dues invoicing system for 2019. An invoice will be mailed to each resident of the Grandmont Community to collect 2019 GCA dues. Collection has fallen again this year to a low of 25% as of November. Rosedale Park and Grandmont One has gone to this system with good results to fund their associations. This will help relieve the responsibility of collecting dues from the block captains. It has been increasingly difficult to pay for Street Snow plowing which costs the association \$4300 each year. PayPal will still be available and of course you can still pay your block captain if that is your preferred method. Look for your dues invoice early in 2019.

GCA Finance Chair

## GCA Halloween and Harvest Party 2018 was a success!!

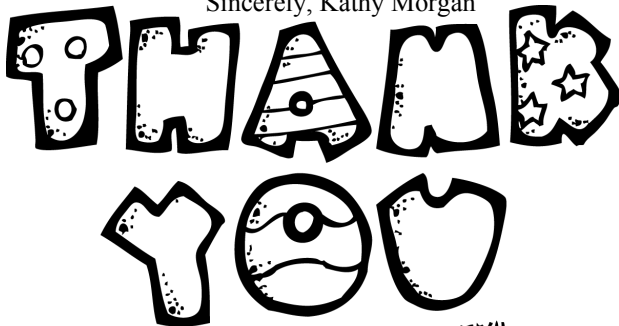

For the fourth year in a row The Grandmont Community Association has sponsored a community Halloween and Harvest Party. As the Home of Good Neighbors its important to have events that bring the community together to fellowship. Since the beginning the event has been held at Bushnell Congregational church. In the last two years Grandmont Community Association and Bushnell Church have co-sponsored the event, working together to provide food, fun and games for all ages.

If you have not participated in the event you have missed out on delicious home-made pizza, candy apples, face painting, arts and crafts, a trick or treat hallway and more! The event would not be possible without the generous donation of time, money, gifts and treats from our community members. Thank you to everyone who worked together to make this event happen. It is because of neighbors like you that this community continues to thrive!

A special thank you to the participants: Barbara Davis & Mr. Davis (husband), Keara Stewart and family, LaToya Parker and family, Cora Duncan-Foster, Ethel Smith, Jomo King, Ed and Carla Smith, Kevin Johnson, Julie Janusch, Krystal Thurmond, Robert and Diane Patterson, Janice Collins and Husband, Candice Fortman and Aunt, Erik and Charity Dean, Denise Hicks, Lasondra Nelson, Linda Pride, and Bernard Morgan.

If any names were omitted or spelled incorrectly, I sincerely apologize! Blame it on my mind and not my heart. Finally, a special thank you to Ron Isaac, the incredibly dedicated, thoughtful and selfless young man from Bushnell Church I've had the pleasure of working with over the past several years in coordinating this event.

Sincerely, Kathy Morgan

# Environmental—Vacant Property Task

**Happy Holidays** from your friends and neighbors in the Grandmont Community. Best Wishes for a **safe and Happy New Year**. I've heard it said that **one kind word can warm three winter months**. Good words to remember as we prepare for this winter and hectic season ... and beyond!

One of the benefits of living in Grandmont is our **Street Snow Service** (plus the many other family-friendly activities provided from our dues collection. As a recent example, If you and your children didn't participate in the GCA-Bushnell Harvest Fest-Halloween Party at Bushnell Church in October you missed a wonderful event).

So please pay your GCA dues of only \$25.00 to help support activities right in your neighborhood. Donations are also gladly appreciated to help defray costs and continue our community activities.

## **This is the time for a Friendly Reminder:**

**MOVE CARS, GARBAGE, AND RECYCLING CONTAINERS OFF THE STREETS!** Please be a considerate neighbor. Whether or not there is snow predicted, it's a good safety & security habit to keep your cars parked off the street. Not only is there a more opportunistic danger of theft or vandalism, but icy streets create the opportunity for side-swiped vehicles or accidents that can be especially stressful at this busy time. **Slow down and promote safe passage for all pedestrians and traffic!**

If snow is predicted close to our pickup days, please place your cans, leaf bags, and bulk items on the City berm & not in the street. **Remember that Monday December 10<sup>th</sup> is our last scheduled collection for Branches & Yard Waste Items.** Do not place branches or leaf bags out on the street after that date. You could be ticketed. You will need to take those items to the Southfield Yard south of Schoolcraft for proper disposal after December 10. **Thank you**

## **Don't Count the Days, Make the Days Count!**

**Did you know?** There will be **Street Improvements to Grand River Avenue coming in 2019**. Although Grandmont advocated for the area East of Southfield to Greenfield, the City and MDOT contracted for improvements in this **Initial Phase** to begin from Southfield West to Berg Road. Expect to see Street Trees, New Sidewalks, Pavers & Pedestrian Lighting, Bus Shelters, Benches, and Trash Cans, Striped Parking Stalls, Bike Lanes, and Crosswalks, Gateway Signage and Neighborhood Branding and more. .

## **Vacant Property Update:**

There are two Land Bank Rehab & Ready Properties in Grandmont. One on Asbury Park and the other on Archdale, with another potential home in the works. Many formerly vacant homes are being repaired and renovated and that is good news. Foreclosure Prevention is still ongoing and help is available through GRDC/United Housing Coalition. We are still being promised by the City that 14034 Southfield will be demolished by end of year. That certainly would be a wonderful holiday present for our community. We are trying to keep money in our (Grandmont) GRDC/Vacant Property Funds to maintain and enhance this lot once the house is demolished.

**Attention Neighborhood Lawn Service Workers!** Our Vacant Property Group in Grandmont is always looking for reliable contractors to cut the lawns of the vacant lots on Southfield, Archdale, and Woodmont in the Grandmont Community. Of course we are hoping you will use this as an opportunity to provide Community Service and cut these lawns at a reduced rate. **We are seeking bids for 2019.** Please contact me if you are interested and can provide an estimate for this service (313) 836-3736.

## **Block Captain – and Resident Appreciation**

I would like to thank the block captains – and encourage more participation from others – regarding notifying me or Ethel Smith of new residents or new vacant houses on your block. The sooner we get notified, the quicker we can determine legal ownership and take any appropriate action to help keep these homes safe and well-maintained and squatter-free! Block captains who actively pay attention and report issues are contributing to our safer neighborhood and you are very much appreciated. Please continue to be watchful, take notes, get license plates and if possible pictures if you can do so safely! We can't do it alone – we need your help. If you live on a block with a vacant home, you need to be the eyes and ears....and the nosy neighbor!

**If you want a better neighborhood – be a better neighbor!** We are a community of “Good Neighbors.” Grandmont has a long history of involvement and activism. **Good neighbors equal good neighborhoods.** We are fortunate that Grandmont carries that belief as part of its **DNA (Doing Neighborly Acts)**. Longtime residents are very effective and vital, but we always have a need for younger volunteers and new people to lessen the load of older members to take part in the building of future community. Grandmont strives to include everyone in the process. Your ideas are important – after all we are a community neighborhood and you might have what it takes to better your surroundings. Why not make a commitment to your community in 2019 as a part of your New Year Resolution

## **Did You Know?**

You need to sign up for the **GIN (Grandmont Information Network)** as well as the neighborhood Google Group **Crime Alert System**. Please make sure you send your email information to Mary Muhammad ([marym4gca@gmail.com](mailto:marym4gca@gmail.com)) to be included in this valuable service. Sometimes *the Grandmonitor* doesn't get to you in time to take advantage of programs offered. The GIN regularly notifies residents of upcoming community events. The Crime Alert is a separate service that can be helpful when bad things happen by alerting the community of what's going on!
