GRANDMONT COMMUNITY — HOME OF GOOD NEIGHBORS

VOLUME 48, NUMBER 10

October 2019

The Grandmont Community Association Serves approximately 1100 residences in the Grandmont Community, including households south of Grand River, west of Asbury Park, north of Schoolcraft, and east of Southfield Freeway.

Mission Statement

The Grandmont Community Association (GCA) was formed for the preservation of the neighborhood: promotion of quality schools; civic education of the residents and promotion of cooperation and understanding between all of the residents and community businesses.

Adopt-a-Pot in Grandmont

The Grandmont Community Association's Beautification and Garden Club Committee is looking for volunteers to Adopt-a-Pot! We need your support in taking care of our beautiful new planters that we have been so fortunate enough to receive through a place-making grant from Grandmont Rosedale Development Corporation. The committee needs your help in making sure that we water and weed the new perennials and annuals we've planted to keep our community beautiful all year round! We are looking for neighbors to adopt a planter on the corner of your block to assist us in keeping all entrances of our community beautiful.

If you're interested in adopting a planter box on the corner of your street please contact Larissa Richardson at (313) 614-4910 or via email at LarissaARichardson@gmail.com.

Halloween Haunts

At just about dusk each Halloween eve, my husband and I have turned on our porch light, set out our carved jack-o-lantern, and opened our front door to a steady stream of cleverly costumed children who climb our porch steps and loudly shout "trick-or-treat" in hopes we will heed their call and respond with free candy. And for 45 years now, that is exactly what we've done! We have found over time that it is chocolate in any size, shape or variety that lights up a child's face and evokes a big smile and an enthusiastic "thank you!". Then off they scamper to the next porch-lit house. Sadly, they must trudge long distances to find the next participating household as very few neighbors are taking part in this favorite holiday that so delights children.

How about joining us this Halloween 2019? Light the night from about 6 to 8 pm. Then wait for the arrival of a grand assortment of ghosts and goblins and wizards and fairy princesses and superheroes and even a mermaid or two.

Open your door to them and dole out some candy---any kind will do---with the exception of banana squirrels. Even the squirrels won't touch them!

Happy Halloween to one and all. . .most especially the young and the small!

Julie and Mark Janusch

HALLOWEEN SAFETY TIPS FOR HOMEOWNERS

Make sure your property is well lit.

Replace burned-out bulbs in exterior lights. If needed, install additional lights in the front yard to avoid someone tripping over something he or she can't see. If you won't be home for trick-or-treating, turn your lights off to discourage children from approaching your property.

Keep walkways clear.

Make sure all walkways and the front yard are clean and clutter-free to prevent falls. Sweep wet leaves from sidewalks and stairs. Move bikes, garden hoses, potted plants and skateboards away from areas that are likely to be walked on by groups of people. Decorative items and jack-o-lanterns should also be positioned at a safe distance from crowds to prevent people from knocking them over or tripping on them. Remember, kids often run from house to house and they don't always stay on sidewalks, so, if you're setting up a display, make sure it is well lit and visible. If you're building a lawn display make sure to keep walkways clear. And don't run cords over sidewalks where people might trip over them or hurt themselves.

When it comes to jack-o-lanterns, safety first.

If you plan to use candles in your jack-o-lanterns, keep them far away from primary walkways. This will help cut down on the fire hazards, such as costumes, props or decorations catching on fire. A great alternative to open flames is to use battery powered light sources or light sticks.

Make sure your little trick-or-treaters are visible to drivers.

Add reflector strips to your child's costume, or have them carry a flash light or light stick to make them more visible at night. This will not only assure they are seen by drivers, but will also help you keep an eye on them if they get ahead of you.

Keep your pets inside.

Pets are easily frightened on Halloween, so keeping them inside will protect them from cars or inadvertently biting a trick-or-treater.

Test Your Smoke Alarms.

With jack-o-lanterns being a popular staple of Halloween, don't forget to test your smoke alarms well in advance of the Halloween celebrations.

Grandmont Community Meeting Recap

The Community Meeting on Tuesday, September 17 at Bushnell Church was well attended and we had good information presented by Board Members and City Representatives while enjoying good conversation and good food. One thing was evident: our "wish list" needs to include a portable microphone for future meetings.

Speakers included Aaron Hall from Councilman Tate's office, Tenisha Johnson, D1 Business Liaison, Richard Burk of Advanced Disposal, Kitty Yarborough, GRDC, and Karla Williamson, our new D1 Neighborhood District Manager, replacing Latrice McClendon (who recently accepted a position with Chemical Bank.) GCA Board Members were available to meet neighbors and give an overview of some of our accomplishments. Thanks to efforts of Larissa Richardson and Josh Engle, many of our corners have nice shiny new planters. Please feel free to "adopt" one near you that you will water for us!

Special THANK YOU to Josh Engle GCA Board Member and Grandmont neighbor Antonio who helped set up tables and chairs, as well as Julie Janusch who skillfully helped with food prep and table arranging. Cora Duncan-Foster was a lifesaver for calling and emailing City Leaders as well as picking up the sandwiches and food for the meeting. Other neighbors also pitched in when needed. Thank you all!

Treasurer Robert Patterson gave a quick financial overview of our GCA budget with an update on our Street Snow Removal service for 2019-2020 season and helped conduct the meeting. Vice President Charity Dean spoke briefly about Grandmont issues. New neighbors were welcomed and hopefully came away with a good impression of the community they moved into. Many long-time active neighbors were there to meet and greet new residents and encourage involvement on a committee of interest, Radio Patrol, or in just being the good neighbors we've come to expect in Grandmont.

Handouts from Advanced Disposal on Garbage-Bulk-Recycling, Council President Brenda Jones office provided an overview of proposed amendments to the City Dog Ordinance, NEZ Property Tax reduction for residents buying their home after 1996 was available, and other Neighborhood Newsletters by comparison were on display to showcase our Newsletter as one of the best! Other important contact help was available and if you have questions or concerns and need additional information, please call one of the Board/Committee Members listed in the Grandmonitor

Yvonne Sanders, who now is head of our Street and Block Captain Network and Ethel Smith who is the Grandmonitor Distribution Coordinator - and who both help with our Welcome Packet -didn't get a chance to speak, but are vital to our community growth and stability and should be acknowledged. Also another Grandmont treasure, Krystal Thurmond is our Social Coordinator and heads up the "Sunshine Club" in Grandmont.

Remember that our Editor is always looking for questions, information, good news, celebrations, etc. from neighbors for our newsletter. The deadline is the 12th of the month. Please feel free to submit your thoughts, and idea's. Thank you again to all neighbors who attended our meeting and/or helped with its implementation.
