Bring on the Trees!

Did you know that the city of Detroit gives away free trees to residents each year? These trees get planted between the sidewalk and the street in front of your home. Even corner lots can have smaller-growing trees planted in areas where overhead wires might be a concern. Grandmont's own Diane Patterson has helped to facilitate this across the neighborhood each year—we are so lucky to have her!

They are currently accepting tree planting requests for Spring 2020. If you are interested, Diane is here to help you! All you need to do is to call Diane (313-836-3736) and provide her with your name, address and phone number. She will pass this information along to the city and they will evaluate your location and follow up with you directly.

10,000 UP!

The City of Detroit is planting 10,000 UP! trees across the city to help improve your home and your neighborhood.

As part of the city's revitalization and to increase property values, please request to have a new tree planted at your home on the berm between the sidewalk and the street.

Dispelling Tree Myths:

FALSE: Trees crack sidewalks

Only if not planted or cared for properly. GSD chooses appropriate tree species for root growth.

FALSE: Trees interfere with utility lines

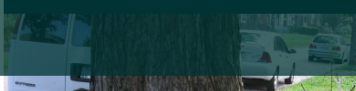

GSD considers root growth and height of tree species for each location.

FALSE: Trees create messes

GSD specifically selects tree species that minimize dropping messy waste.

FALSE: Tree roots break sewer pipes

Roots do not break sewer lines, they only enter pipes if they are already broken.

WINTERTIME TIPS

for Healthy Pets

EXERCISE

Play with your pet regularly to prevent boredom and weight gain

- Play indoors if the weather outdoors is poor
- Replace toys when they become worn
- Visit indoor pet recreation areas for additional exercise

SHELTER

Pets need shelter when temperatures reach the 40s

- Repair or replace shelters as needed
- Provide warm, dry bedding and proper insulation

Bring short-haired pets inside in temperatures < 40°

Never use an electric heater outdoors, as pets may...

- Sit too close and get burned
- Chew on cords
- Knock over heaters and cause a fire

Consider a heated bed specifically rated for pet use

MEDICAL CARE

Visit the vet for a wintertime checkup before the temperature drops

Arthritis can affect elderly pets on cold, dry days

Contact your vet immediately if your pet eats or drinks:

- Antifreeze
- Poinsettias
- Holiday tinsel or ornaments
- Alcohol or chocolate

Happy January!

Benjamin Franklin's wise words still hold true: "Be always at war with your vices, at peace with your neighbors, and let each new year find you a better person."

Happy New Year! The outlook for Detroit seems brighter. And investment in our neighborhood comes with new opportunities and room for new ideas. What do we as neighbors want and need to create a better quality of life and safer surroundings? Can we work smarter to encourage better business and neighbor communication? How can we support neighborhood schools and encourage our children to succeed in life. Your suggestions and ideas are what helps the GCA Board determine action plans and budgeting (from your dues payment!). Keep your **yellow membership card** handy as proof of payment for the year(s) paid -for your records and ours - just in case we have a computer glitch.

Snow Removal and More

Our 3rd payment will be coming due soon for our legal contract with our Street Snow Service Contractor. Your dues keep that service sustainable. January starts are new fiscal year. 2020 dues (and/or donations) are always appreciated as early as possible to help pay this bill, as well as provide this newsletter and plan our community events.

2020 is a clean slate. Start the year with the resolve to make this year's vision one that reflects hope as well as pride and accomplishment in your home and your neighborhood. Be a better neighbor. Appreciate all the " behind the scenes" work that makes Grandmont GRAND.

New Neighbor Welcome

We have many neighbors new to the Grandmont Community (GCA). **WELCOME HOME!** Some of you know of Grandmont's history and some are learning that we are a member-community of 5 neighborhoods that make up the Grandmont-Rosedale Neighborhoods. Those 5 neighborhoods (Grandmont Community Association/GCA, Grandmont #1, Rosedale Park Improvement Association/RPIA, North Rosedale Park/NRP, and Minock Park) also help support the Non-Profit Grandmont-Rosedale Development Corporation (GRDC) at 19800 Grand River, which among other great services, allows us to use their facility for meetings, advocates for community funding and political leverage, etc. (Remember that your \$30.00 GCA Dues are separate from any donation to GRDC.)

Get Ready for our Annual Meeting in April!

Just Do It. Why not consider becoming a Block Captain, or Co-Captain and meet your neighbors and get involved slowly, or if you have some time and energy, jump right in to consider running for the GCA Board. We need your energy. There's always a need for more Radio Patrol members, and other Committees that can use some help and inspiration. Maybe you are the person who can revitalize an area that needs a boost. Will you think about the possibility?

Vacant Property Task Force Update

In 2020, our group will meet at GRDC every other 3rd Tuesday at 10am beginning February 18th. Since we are low on funds that help with property identification & ownership, as well as lot cutting, cleanups, etc., we are working on a "Fundraiser" to get us through the summer months. Stay tuned for more information. And, if you can volunteer some lawn/lot cuttings, we've got work for you. We hope you will support our efforts to keep GRDC communities looking good in our neighborhoods! Donations to the VPTF of course, are always greatly appreciated and should be noted on any checks sent to GRDC (19800 Grand River) for that purpose. Thank you.

DTE Senior Discount

Did you know? You can sign up for the Senior Citizen discount (62 and older) for \$3.75 discounted every month (that's \$45 a year) on your bill. This is not the same thing as being on the "Senior Plan" - which just has benefits like no service cut-offs, pick your own due date, etc. You'll need to call main no. , answer "Other Options" before a representative comes on to assist you. This discount program has been in effect since 2015. Take advantage of it to save you some cash.

Want to Get Involved? A Committee's the Ticket!

As a new year and a new decade dawns upon Grandmont, it is natural to feel inclined to get involved, and to take up opportunities to be more neighborly. The Grandmont Community Association is here to make that as easy as possible. On page 2 of this newsletter, you will find the full list of committees that work to keep Grandmont a beautiful and thriving community. Take a moment to look through that list and see if there are any that strike your interest, or overlap with your professional experience. Everyone listed there, chairing various committees, are just like you - volunteers - except they have already taken the leap and stepped up to help the Grandmont community.

Keep in mind that getting involved doesn't always mean attending meetings. Of course, that is always an excellent way to get to know your neighbors and community a little better. But it can also be as simple as taking a quick walk around your neighborhood as a block captain - you know, those lovely individuals who are always dropping the Grandmonitor at your door. Or when you're planting your Spring garden (in a far-off land called April...), perhaps you can buy a couple extra plants for the end-cap at the end of your block. Or even keep it as simple as looking out for your neighbors' packages when they aren't home.

Whatever your area of expertise, whatever your availability - we are excited to meet you and get to know you, neighbor. And if you already chair or participate on a committee, thank you for all that you do! Volunteers are at the heart and soul of every community. You give this neighborhood life and we truly appreciate everyone who contributes to our Home of Good Neighbors.

Why Become a Dues-Paying Member of Grandmont?

- You are chipping in to support all of the cool stuff our neighborhood has going on.
- We'll be able to afford to have our streets cleared of snow, which doesn't seem like a huge necessity - until it's snowing.
- You are automatically one step above that slacker neighbor who lets their trash cans hang out in the middle of the street until Sunday.
- Your dues will support Grandmont graduates going to college, so you get to feel good about yourself, too.
- It's not prohibitively expensive. It comes out to less than nine cents a day, if that's your type of payment plan.
- No one can accuse you of not living up to Grandmont's moniker of "Good Neighbor."

So if there are so many reasons to become a dues-paying member, why haven't you paid yet?!
